USGA RULES GOVERN ALL PLAY
Except Where Modified by the Following Local Rules

- Paved cart path (asphalt/concrete), rain shelters, and yardage markers are considered immovable obstructions. Areas with screenings and shells are considered waste areas (no free relief).
- Ball that comes to rest in flower beds or nurseries can be lifted and dropped without penalty, no closer to the hole.
- Ball that comes to rest within two club lengths of a fixed sprinkler head located within two club lengths of the putting green may take a free relief drop without penalty, within one club length, no closer to the hole.
- Ball that comes to rest on the homeowner side of a penalty area is deemed Out of Bounds.
- Ball that comes to rest in the turf crease between the green and the fringe: you may mark and place it no closer to the hole without penalty.

Local Rules – Hurricane Course Only

- Hole 9: Right of the pond adjacent to Gator Hole 1 is considered O.B.
- Hole 11: Ball that goes in the penalty area left of the hole has an added option of utilizing the Drop Zone. This option does not apply for balls that enter the penalty area on the right.
- Hole 17: If it cannot be determined where your ball last crossed the penalty area adjacent to the green on Hole 11, you may utilize the Drop Zone. This option does not apply for balls entering the penalty area on the left.

Local Rule – Gator Course Only

- Hole 18: In the absence of a white stake or line, the curb adjacent to the hole by the green delineates O.B.

The Nest uses early warning lightning detection.
One prolonged blast indicates players **MUST** stop play and seek shelter.
Three short blasts indicate play may resume.
